Why go to Germany?

- high-quality, internationally recognised higher education
- low study costs (no tuition fees), affordable living costs
- wide range of study programmes with both theoretical and practical focus
- numerous English-taught study programmes
- attractive career opportunities
- research opportunities at world-renowned institutes
- more than 400 universities and universities of applied sciences

The DAAD offers scholarships for

- university summer courses
- full Master's degree programmes
- research and PhD

(complete offer available on the website)
